## SERVE CREW Middle School Policy/Agreement

**This agreement is for students who are in Jr High School (completed 5th grade) wanting to serve as Helpers in the same classroom as their parents who are working in Children's Ministries (Toddler Nursery, Preschool, Kindergarten, 1-3rd grade). Per approval by the Children's Ministry Director, this agreement is also for such students who are under direct and agreed supervision of an approved adult who is not the parent. These students are not to serve as Teachers, but rather Helpers or Teachers in Training, and must remain under supervision throughout the Program.**

This document does not take the place of, but is rather in *addition* to the application, statement of faith, and covenant that a new minor volunteer must submit. Further, the minor will not be counted as an adult in the adult to child ratio.
